980 €
(One time scan)

audius **Security Analyst Service**

Cyberattacks are continuously on the rise. A vulnerability scan helps you close security gaps before they become an issue.

audius

It's about **your** IT security

Starter

- ✓ Early detection of vulnerabilities
- ✓ Automated **one time scan**
- ✓ Detailed report
- ✓ Compliance support (e. g. ISO 27001, GDPR)
- ✓ Reduction of risks and attack surfaces

Advanced

- ✓ Early detection of vulnerabilities
- ✓ Regular automated Scans
- ✓ Detailed reports **(including delta report) with prioritization and recommendations**
- ✓ Compliance support (e. g. ISO 27001, GDPR)
- ✓ Reduction of risks and attack surfaces
